This guy sounds like he is looking for information on the LPR's. I'm not sure who you would like to have call him back?

If I am understanding correctly, he is asking for two things - a CFS and flock hits for vehicles registered to SMPD? Sounds like a big fat no to me, but I looped Lt. Mengel in for help.

Importance: High

I'm sending this to you. If it does involve us it would need authorization. I don't know if he meant Comm. Silva and was sent to me by accident or not. Listen to it please.

Sasha
